discovering different forms of writing. They will be encouraged to include different features of punctuation in their writing and add detail for their audience.

Students will work on correct sizing and continue to practise letter formation.

Students will continue to explore spelling patterns when writing. They will build on their core of known, high frequency words.

Speaking and Listening

Students will be learning to ask purposeful questions to better engage in conversations with their peers. Students will be extending their skills in listening to the ideas of others.

Space

Students will explore and use positional language to give and follow directions to familiar locations.

with others and asking interesting questions.

at different times during the day.

language and characterisation. They will play music and drama games and follow actions to songs. Students will use imagination and improvisation to respond to various stimuli and have a go at expressing themselves through actions and gestures rather than words.

Visual Arts (1Y)

Students will explore ideas from everyday life to represent in their art. They will focus on the art elements of line and pattern and experiment with a range of techniques to produce their artworks. Students will also have the opportunity to investigate art from a variety of cultures and times.

Italian (1B & 1Y)

Students will learn how to greet the teacher and introduce themselves in Italian. Through the use of songs and games, students will be exposed to colours, numbers, basic body parts and sayings in Italian.

Digital Technologies (1Y & 1R)

Students will be shown how to log onto a Chromebook (student device) and how to access the student portal. They will develop an understanding of what the internet is, how we safely access it at school and its purpose in their learning.

Positive Behaviour for Learning:

Respectful: I speak politely and use my manners
I use whole-body listening

Responsible: I follow directions and put my hand up and wait for my turn

Resourceful: I ask for help when I need it

Safe: I line up calmly and quietly and in roll order
I put resources away where they belong

Learning Dispositions: The following dispositions will be taught throughout all Curriculum areas: reflective, collaborative, curious, creative, flexible, self-motivated and persistent.
